

Valeant And Salix Agree On Amended Terms To Merger Agreement

March 16, 2015

- \$173 PER SHARE CASH OFFER THROUGH APRIL 7TH

- TRANSACTION EXPECTED TO CLOSE APRIL 1ST

LAVAL, Quebec and RALEIGH, N.C., March 16, 2015 /PRNewswire/ -- Valeant Pharmaceuticals International, Inc. (NYSE: VRX) (TSX: VRX) and Salix Pharmaceuticals, Ltd. (NASDAQ: SLXP) today announced that they have entered into an amendment to their Agreement and Plan of Merger, dated February 20, 2015. Pursuant to the amendment, Valeant increased the offer price to acquire all the outstanding common stock of Salix from \$158.00 per share to \$173.00 per share in cash, or a total enterprise value of approximately \$15.8 billion, through April 7, 2015. The revised offer price of \$173.00 per share provides an additional approximately \$1 billion in cash consideration to Salix stockholders, and represents an increase of 9.49% and 43.9%, respectively, over the original offer price of \$158.00 per share and the unaffected price of Salix common stock on January 16, 2015, of \$120.19. As previously announced, if the minimum tender condition is satisfied at the end of the day on March 31, 2015, Valeant expects to close the transaction on April 1, 2015. If all of the conditions to the tender offer have not been satisfied by April 8, 2015, the offer price will drop back to \$158.00 per share. In consideration for the increase of the offer price through April 7, 2015, the termination fee payable by Salix to Valeant has been increased by \$100 million and the outside date after which either party may terminate the transaction has been moved from August 20, 2015 to May 1, 2015. The amendment was approved by the Boards of Directors of both companies.

"We continue to be very excited about the combination of our two companies and we are committed to getting this deal done," said J. Michael Pearson, chairman and chief executive officer of Valeant. "This revised offer provides Salix shareholders with all-cash at a significant premium and the certainty to close by April 1. By offering a significant premium with a 100% cash offer, eliminating market and company equity risk that could arise from other non-cash offers with a 4+ month closing timeline instead of a closing by April 1st, our new arrangement creates significant shareholder value for Salix. In addition, the transaction remains modestly accretive in 2015 and will be more than 20% accretive in 2016."

Thomas W. D'Alonzo, chairman of the board and acting chief executive officer of Salix, stated, "We are pleased that the enhanced offer price recognizes the value of Salix as the leading gastrointestinal specialty pharmaceutical company and delivers to our stockholders all cash consideration in the near future."

The offer documents and Salix's solicitation/recommendation statement on Schedule 14D-9 will be amended to reflect the amended terms.

Sullivan & Cromwell LLP served as Valeant's legal counsel, and Salix was advised by Cadwalader Wickersham & Taft LLP. Deutsche Bank and HSBC Securities (USA) Inc. acted as financial advisors to Valeant. Centerview Partners and J.P. Morgan acted as financial advisors to Salix.
