

# Valeant Announces Pricing Of Private Offering Of Senior Notes

March 13, 2015

## **VALEANT EXPECTS WAITING PERIOD UNDER HART-SCOTT-RODINO FOR SALIX ACQUISITION TO EXPIRE ON MARCH 16**

LAVAL, Quebec, March 13, 2015 /PRNewswire/ -- Valeant Pharmaceuticals International, Inc. (NYSE: VRX) (TSX: VRX) ("Valeant" or the "Company") announced today that VRX Escrow Corp., a newly formed wholly owned Canadian subsidiary of the Company, has priced \$2.0 billion aggregate principal amount of 5.375% senior unsecured notes due 2020 (the "2020 notes"), \$3.25 billion aggregate principal amount of 5.875% senior unsecured notes due 2023 (the "2023 notes"), €1.5 billion aggregate principal amount of 4.50% senior unsecured notes due 2023 (the "Euro notes"), and \$3.25 billion aggregate principal amount of 6.125% senior unsecured notes due 2025 (the "2025 notes" and together with the 2020 notes, the 2023 notes and the Euro notes, the "notes"). The notes offering is expected to close on or about March 27, 2015. The notes offering has been upsized to approximately \$10.1 billion U.S. dollar equivalent aggregate principal amount of notes from the previously announced \$9.6 billion U.S. dollar equivalent aggregate offering size. As a result of the increased size of the notes offering, the Company intends to incur \$400 million less in incremental term loans in connection with the proposed acquisition of Salix Pharmaceuticals, Ltd. ("Salix").

The net proceeds of the offering, together with borrowings under the Company's incremental term loan facilities and cash on hand, are expected to be used to fund the previously announced acquisition of Salix, as well as repayments of indebtedness of Salix and certain transaction expenses. If the Salix acquisition is not consummated on or prior to August 20, 2015 or, prior to that date, the Company's merger agreement with Salix is terminated or the Company otherwise determines that the tender offer will not be pursued, the Company will be required to redeem the notes at 100% of the issue price of the notes, plus accrued and unpaid interest to, but excluding, the redemption date.

Valeant also announced that the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 for all of the outstanding shares of common stock of Salix is expected to expire at 11:59 p.m., New York City time on March 16, 2015. The expiration of the HSR waiting period satisfies one of the conditions to consummate the tender offer and Valeant expects to be in the position to close the transaction on April 1, 2015.

**The notes will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act and applicable state securities laws. The notes have not been and will not be qualified for sale to the public by prospectus under applicable Canadian securities laws and, accordingly, any offer and sale of the securities in Canada will be made on a basis which is exempt from the prospectus requirements of such securities laws.**
