May 16, 2016

## **Company Expects to File its 10-Q on or before June 10, 2016, as Previously Disclosed**

LAVAL, Quebec, May 16, 2016 /PRNewswire/ -- Valeant Pharmaceuticals International, Inc. (NYSE: VRX and TSX: VRX) ("Valeant" or the "Company") today provided an update on regulatory matters.

The Company announced that, on May 11, 2016, it applied for a customary management cease trade order ("MCTO") from the Autorité des marchés financiers (the "AMF"), the Company's principal securities regulator in Canada, relating to the trading in securities of the Company by the Company's CEO and CFO and each other member of the Company's board of directors. The Company has been advised by the AMF that the MCTO will be dated and published on May 17, 2016. The ability of other shareholders to trade in the securities of the Company will not be affected by the MCTO.

The MCTO application was made in connection with the Company's previously announced delay in filing its interim financial statements for the quarter ended March 31, 2016, the related management's discussion and analysis and certificates of its CEO and CFO (collectively, the "Canadian Required Filings") with Canadian securities regulators until after the May 15, 2016 filing deadline. The Company expects to make the Canadian Required Filings on or before June 10, 2016.

The Company intends to comply with the provisions of the alternative information guidelines set out in Canadian National Policy 12-203 *Cease Trade Orders for Continuous Disclosure Defaults* by providing bi-weekly updates by way of news release until the Canadian Required Filings have been made.
