

Bausch Health's OraPharma Introduces "OraTalks," a New Podcast Bringing Bold Conversations to Dentistry

September 29, 2025

Designed for dental professionals, OraTalks connects leading voices with insights to spark meaningful dialogue.

- Nine-episode inaugural season hosted by industry thought leader Melissa K. Turner, BASDH, RDHEP, EFDA, CHO.
- Candid conversations with leading clinicians on the trends shaping today's dental landscape.
- Episodes launch on September 29 on major podcast platforms; register now at orataalks.com for episode alerts and exclusive updates.

LAVAL, QC, September 29, 2025 – Bausch Health Companies Inc. (NYSE:BHC)(TSX:BHC), a global, diversified pharmaceutical company, and its dentistry business, OraPharma, today announced the launch of OraTalks, a new podcast created to ignite meaningful dialogue and explore the challenges shaping modern dentistry.

Season One of OraTalks features nine episodes covering timely topics in oral health and patient care, such as sleep disorders, women's health, social determinants, and patient education. Hosted by Melissa K. Turner, BASDH, RDHEP, EFDA, CHO—a nationally recognized industry thought leader—the series combines her expertise with candid conversations from leading clinicians, researchers, and influencers. Listeners will also gain exclusive insights into emerging strategies shaping the future of dentistry.

"The goal of OraTalks is clear: to spark the conversations that truly matter in dentistry—conversations that are bold and timely," said Melissa K. Turner, BASDH, RDHEP, EFDA, CHO, Host, OraTalks Podcast. "OraTalks allows us to amplify these ideas and bring them directly to the clinicians, leaders, and visionaries shaping our industry. In today's rapidly evolving landscape, it's not enough to keep pace—we have to set the pace. OraTalks exists to challenge assumptions, spotlight innovation, and ensure we remain relevant to the needs of the dental community."

According to the American Dental Association, gum disease affects nearly 65 million Americans nationwide.

This means millions of Americans may unknowingly have gum disease, underscoring the critical role dental professionals play in highlighting this serious condition.

"We're excited to introduce OraTalks as a new way to support dental professionals as they prioritize periodontal disease," said Tom Stern, General Manager and Vice President, Bausch Health. "This podcast reflects our commitment to listening, learning, and sharing insights that matter. We hope that by creating a space for meaningful conversations, we can help clinicians navigate the challenges of modern dentistry and continue delivering the best possible care for their patients."

OraTalks debuts on September 29, 2025, and is available on major platforms, including Apple Podcasts and Spotify. Upcoming episodes are listed on

About Bausch Health
