

Bausch Health Responds To Schedule 13D Filing From Icahn Capital LP

February 11, 2021

LAVAL, QC, Feb. 11, 2021 /PRNewswire/ -- Bausch Health Companies Inc. (NYSE/TSX: BHC) ("Bausch Health" or the "Company") issued the following statement in response to the Schedule 13D filed by Icahn Capital LP filed earlier today:

Bausch Health's Board of Directors and management team welcome open communication with our shareholders and constructive input toward the shared goal of enhancing shareholder value. Our Board of Directors and management team are committed to acting in the best interests of the Company and our shareholders. We continually review the Company's strategic priorities and capital allocation to evaluate opportunities to maximize long-term shareholder value.

Underscoring this commitment is our previously announced intention to spin off Bausch + Lomb into an independent publicly traded entity to unlock what we believe is unrecognized value in Bausch Health. We remain committed to pursuing all opportunities and paths forward to deliver value for our shareholders.

The Company exited 2020 with solid momentum, outperforming the high end of our guidance by generating revenue that exceeded \$2.2 billion and delivering strong adjusted EBITDA and cash flows. We remain strategically focused on executing on our COVID-19 recovery plan, while capitalizing on key growth drivers and catalysts to grow EBITDA, improve working capital and delever our Company.
