

Biovail Dismisses Inappropriate and Unnecessary Debate

June 17, 2008

Vote Your BLUE Proxy Now

TORONTO--(BUSINESS WIRE)--June 17, 2008--Biovail Corporation (NYSE: BVF) (TSX: BVF) today said it will rely on shareholders' ability to consider the facts and will not participate in the latest desperate publicity stunt from Eugene Melnyk in his attempt to gain control of the Company's Board of Directors. The staged "debate," as proposed by Mr. Melnyk, involving management, current and imagined, who would report to that Board, is not appropriate or helpful. Biovail believes the question of the future direction of the Company is a serious matter for all 56,000 shareholders and should be decided on the facts, not by three-minute "sound bites."

Biovail has fully described the capabilities and independence of its Board nominees, as well as the Company's New Strategic Focus designed to create sustainable value for shareholders. This information is readily available on Biovail's website at
