

# Valeant Announces Launch Of Private Offering Of Senior Secured Notes

March 09, 2017

LAVAL, Quebec, March 9, 2017 /PRNewswire/ -- Valeant Pharmaceuticals International, Inc. (NYSE: VRX) (TSX: VRX) ("Valeant" or the "Company") announced today that it has launched an offering of \$2.5 billion aggregate principal amount of senior secured notes (the "Notes") in two tranches, one of which would mature in 2022 and one in 2024. The offering of Notes is being conducted in connection with the Company's previously announced refinancing and amendment of its existing credit agreement (the "Refinancing"). The net proceeds of the offering together with the proceeds from a new term loan in connection with the Refinancing are expected to be used to repay certain loans outstanding under the Company's credit facilities and to finance a tender offer for up to \$600 million principal amount of the Company's outstanding 6.75% Senior Notes due 2018 (the "Tender Offer").

The Notes will initially be guaranteed by each of the Company's subsidiaries that is a guarantor of the Company's senior secured credit facilities and the Company's existing senior unsecured notes and will be secured on a first priority basis by liens on the assets that secure the Company's senior secured credit facilities. Consummation of the offering of the Notes, the Refinancing and the Tender Offer are subject to market and other conditions, and there can be no assurance that the Company will be able to successfully complete these refinancing transactions on the terms described above, or at all.

The Notes will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act and applicable state securities laws. The Notes will be offered in the United States only to qualified institutional buyers pursuant to Rule 144A under the Securities Act and outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes have not been and will not be qualified for sale to the public by prospectus under applicable Canadian securities laws and, accordingly, any offer and sale of the securities in Canada will be made on a basis which is exempt from the prospectus requirements of such securities laws.

This press release is being issued pursuant to Rule 135C under the Securities Act and shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.
