1 Notes tendered have not been accepted.

2 A \$292,000,000 Tender Cap applies to the aggregate principal amount of the 5.375% Senior Notes due 2020 validly tendered and accepted for purchase.

3 Per \$1,000 principal amount of Notes validly tendered and accepted for purchase in the applicable Tender Offer (exclusive of any Accrued Interest, which will be paid in addition to the Total Consideration, to, but not including, the Early Settlement Date).

As of the Early Tender Date, the aggregate principal amount of Notes validly tendered exceeds the Aggregate Maximum Purchase Amount. Accordingly, all Notes with Acceptance Priority Level 1 and Acceptance Priority Level 2 will be accepted for purchase and, unless the Offerors increase the Aggregate Maximum Purchase Amount, Notes with Acceptance Priority Level 3 will be subject to proration as described in the Offer to Purchase. No additional Notes tendered will be accepted under the terms of the Tender Offers. Any Notes tendered but not accepted for payment will be returned promptly after the Early Tender Date.

The total consideration for each \$1,000 principal amount of the applicable series of Notes is set forth in the table above (with respect to each series of Notes, the "Total Consideration") and is expected to be paid on the Early Settlement Date to the holders of Notes tendered and accepted for purchase as of the Early Tender Date. The Total Consideration includes an early tender premium of \$30.00 per \$1,000 principal amount of Notes accepted for purchase as of the Early Tender Date. In addition to the Total Consideration, all Holders of Notes accepted for purchase pursuant to the Tender Offers will also receive accrued and unpaid interest on those Notes from the last interest payment date with respect to those Notes to, but not including, the Early Settlement Date.

The Tender Offers will expire at 11:59 p.m., New York City time, on January 2, 2018 (such date and time with respect to a Tender Offer, as it may be extended for such Tender Offer, the "Expiration Date"). No tenders will be valid if submitted after the Expiration Date. The deadline for holders to validly withdraw tenders of Notes has passed. Accordingly, Notes that were already tendered at the Early Tender Date and any additional Notes that are tendered at or prior to the Expiration Date may not be withdrawn, except in certain limited circumstances where additional withdrawal rights are required by law.

The Offerors expect that the conditions to the Tender Offers, including the Financing Condition, will be satisfied as of the Early Settlement Date.
