*Transaction boosts Solta Medical's position to meet rising demand in China's growing aesthetics market*

LAVAL, QC, December 1, 2025 – Bausch Health Companies Inc. (NYSE:BHC)(TSX:BHC), a global, diversified pharmaceutical company, along with its global aesthetic business, Solta Medical, today announced the successful completion of the acquisition of Wuhan Shibo Zhenmei Technology Co., Ltd., consisting of the Shibo group's aesthetics distribution business. The Shibo group has served as Solta Medical's trusted distribution partner over the past decade. Effective December 1, 2025, Wuhan Shibo Zhenmei Technology Co., Ltd. became a wholly owned subsidiary of Solta Medical in China, assuming full responsibility for the distribution of Solta Medical's products, including Thermage® FLX, as well as other aesthetic devices in the Chinese market.

Thomas J. Appio, Chief Executive Officer of Bausch Health, stated, "This acquisition expands Solta Medical's geographical reach and market scale in China. By leveraging an existing distribution network and local knowledge, Solta Medical can immediately gain access to the large customer base to drive future revenue and market share growth. Solta Medical delivers premium offerings, and we look forward to building on our foundation of success and deepening our commitment to excellence in China."
