U.S. District Court Dismisses Norwich's Lawsuit Against the FDA

LAVAL, Quebec, November 1, 2023 – Bausch Health Companies Inc. (NYSE/TSX: BHC), and its gastroenterology business Salix Pharmaceuticals, Inc., today announced that the U.S. District Court for the District of Columbia in the matter of *Norwich Pharmaceuticals, Inc. v. Becerra, et al.* (Case No. 23-cv-01611), denied Norwich Pharmaceuticals, Inc.'s (Norwich) motion in their lawsuit against the U.S. Food and Drug Administration (FDA). Norwich had asked the District Court to direct the FDA to immediately grant Final Approval to Norwich's Abbreviated New Drug Application (ANDA) for XIFAXAN® (rifaximin) 550 mg.

Today, the District Court denied Norwich's motion and granted summary judgment in favor of the FDA and Salix.

The Company is pleased with this outcome at the District Court. Its appeal of the final judgment in the matter of *Salix Pharmaceuticals, Ltd. et al. v. Norwich Pharmaceuticals, Inc.* (Case No. No. 22-2153) remains pending at the U.S. Court of Appeals for the Federal Circuit. The Company expects a decision on the appeal from the Federal Circuit in Q1 2024.

About XIFAXAN

XIFAXAN® (rifaximin) 550 mg tablets are indicated for the reduction in risk of overt hepatic encephalopathy (HE) recurrence in adults and for the treatment of irritable bowel syndrome with diarrhea (IBS-D) in adults.

About Salix

Salix Pharmaceuticals is one of the largest specialty pharmaceutical companies in the world committed to the prevention and treatment of gastrointestinal diseases. For more than 30 years, Salix has licensed, developed and marketed innovative products to improve patients' lives and arm health care providers

with life-changing solutions for many chronic and debilitating conditions. Salix currently markets its product line to U.S. health care providers through an expanded sales force that focuses on gastroenterology, hepatology, pain specialists and primary care. Salix is headquartered in Bridgewater, New Jersey. For more information about Salix, visit www.Salix.com and connect with us on Twitter and LinkedIn.

Forward-looking Statements

This news release may contain forward-looking statements about the future performance of Bausch Health, which may generally be identified by the use of the words "anticipates," "hopes," "expects," "intends," "plans," "should," "could," "would," "may," "believes," "subject to" and variations or similar expressions, including statements about the Company's appeal with respect to, and actions to vigorously defend, its intellectual property. These statements are based upon the current expectations and beliefs of management and are subject to certain risks and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. In particular, Bausch Health can offer no assurance as to the timing of any approval by the FDA of any ANDA or amended ANDA and as to the outcome of any appeal. Actual results are subject to other risks and uncertainties that relate more broadly to Bausch Health's overall business, including those more fully described in Bausch Health's most recent annual report on Form 10-K and detailed from time to time in Bausch Health's other filings with the U.S. Securities and Exchange Commission and the Canadian Securities Administrators, which factors are incorporated herein by reference.
