Bausch Health Announces Ortho Dermatologics 2026 ASPIRE HIGHER Scholarship Program

Bausch Health is offering scholarships to six students impacted by dermatologic conditions, with applications open through June 2026

LAVAL, QC, March 26, 2026 – Bausch Health Companies Inc. (NYSE:BHC)(TSX:BHC) and its dermatology business, Ortho Dermatologics, today announced the 2026 ASPIRE HIGHER Scholarship Program, with applications open through June 10, 2026. The program will award six exceptional students, impacted by dermatologic conditions with scholarships of up to \$10,000 each to support their pursuit of higher education.

“It is an honor to continue the ASPIRE HIGHER Scholarship Program and support students who have demonstrated resilience while managing dermatologic conditions,” said Tom Stern, Vice President and General Manager, Ortho Dermatologics, Bausch Health. “These students inspire us with their determination, and we are proud to recognize their achievements and the healthcare providers who play an important role in their care.”

Eligible students may apply by completing an online application, submitting an essay describing the impact of living with a diagnosed dermatologic condition and the role a healthcare provider has played in helping manage their condition, and providing two letters of reference.

Scholarships are available to students who are current or prospective attendees of a two- or four-year college or university, or an advanced vocational or technical school, for the 2026–2027 academic year and are available in the following categories:

- **Three Undergraduate Scholar Awards**—for students pursuing undergraduate or vocational/technical degrees
- **Three Graduate Scholar Awards**—for students pursuing graduate-level degrees

The application period for the 2026 ASPIRE HIGHER Scholarship Program will close on June 10, 2026, and scholarship recipients will be notified in July 2026.
