Salix Announces 2023 Gastrointestinal Health Scholars Program Winners

For Fourth Consecutive Year, 10 Students with Gastrointestinal Disease Will Each Receive a \$10,000 Scholarship

LAVAL, Quebec, July 11, 2023 – Bausch Health Companies Inc. (NYSE/TSX: BHC) and its gastroenterology business, Salix Pharmaceuticals, today announced the winners of its 2023 Salix Gastrointestinal Health Scholars Program. For the fourth consecutive year, Salix will be awarding \$10,000 each to 10 students living with a GI disease.

“At Salix, we understand it can be incredibly difficult to balance both the pursuit of higher education and the challenges associated with living with a gastrointestinal condition,” said Nicola Kayel, vice president, Marketing, Salix. “That is why Salix is dedicated to reducing the stress and financial burden for these students. We congratulate this year’s 10 scholarship recipients for whom we are proud to support in the advancement of their academic goals.”

The 2023 awardees were selected from more than 225 applications. As part of the process, applicants were required to submit essays describing how their GI condition has impacted their educational journey, as well as delve into the role their health care provider played in helping them reach their personal and educational goals. All scholarship applications were reviewed by an independent panel of judges.

The Salix Gastrointestinal Health Scholars Program recognizes students across a wide range of educational pursuits, with scholarships in four categories, including the Undergraduate Scholar Awards, for those pursuing undergraduate degrees; the Graduate Scholar Awards, for those pursuing graduate degrees; the Working Parent’s Scholar Award, for parents pursuing undergraduate, vocational/technical or graduate degrees, and the Single Parent’s Scholar Award, for students who are single parents pursuing undergraduate, vocational/technical, or graduate degrees.

The 2023 Salix Gastrointestinal Health Scholars Program recipients are:

- **Undergraduate Scholar Awards**
 - Kate Paden, Colorado Springs, CO – Creighton University
 - Alexander Myers, San Diego, CA – Northwestern University
 - Charlie Harker, Lebanon, OH – University of Cincinnati
 - Lena Stoltzfus, Tucson, AZ – Haverford College
- **Graduate Scholar Awards**
 - Kaitlyn Mi, Brentwood, TN – Vanderbilt University School of Medicine

- Emmanuel Dean, Stone Mountain, GA – Morehouse School of Medicine
- Caroline Casola, Orlando, FL – Washington University in St. Louis School of Law
- Raina Levin, Jamaica Plain, MA – Boston University School of Public Health

- **Working Parent’s Scholar Award**
 - Juanita Ramirez, Edinburg, TX – University of Texas Rio Grande Valley

- **Single Parent Scholar Award**
 - Kimberly Sperry, Mesquite, TX – Texas Women’s University

“I am so grateful to have been selected for this generous scholarship which allows me to continue pursuing my higher education goals,” said a 2022 scholarship recipient. “Receiving this honor has empowered me to view the world as one where I am not limited by my disease.”
